

Millfields Road, Ettingshall, Wolverhampton

Client: Utopia Group Ltd
Location: Millfields Road, Ettingshall, Wolverhampton

Value: £1,529,997
Contract: Amended JCT 1998 WCD
Duration: 36 Weeks

Architect: P D Architects
Structural Engineer: Nolan Associates
Planning Supervisor: P D Architects

Quantum Construction Limited acted in the dual role of Project Manager and Main Contractor within the framework of a Design and Build Contract.

The project comprised the construction of new warehouse accommodation 2,006m² (21,600sq.ft.), including 886m² (9,536sq.ft) of mezzanine, new two storey office accommodation 321m² (3,455sq.ft.) and refurbishment to existing warehouse approximately 1,152m² (12,400sq.ft).

Warehouse design incorporated a concrete mezzanine serviced by two goods lifts, vehicle docking facilities incorporating inflatable shelters, levelling plates and traffic management control system.

Site works included demolition of existing building, along with removal of underground structures of air raid shelter and redundant fuel tanks from earlier petrol station.

Grouting of underlying mine workings and vibropiling of top surfaces were undertaken to improve existing ground conditions.
